

## Brendan Lee | Producer, Line Producer & Production Manager

### About

I'm a Melbourne based freelance Producer, Line Producer and Production Manager working on TV Commercials and various online content. I have a degree in Film and Television and 15+ years experience in the industry, ranging from Television Production at both the ABC and Nine Network, to TVC and various online content. I'm able to deliver cost effective, creative, well managed production and pride myself on being able to bring a project in on time, and on budget, while ensuring the highest production values.
